Grants and Funding

All of the Professional Development Grants and the Intramural Grants have been applied and approved for the 2018/2019 school year. Funding will open again in September 2019.

Proposed Amendments to be made at the AGM May 22nd, 2019.

1. Unless the yearly awards are sponsored, PHE MB will present certificates for all awards except, the 3 PHE MB awards and Builder award.
2. Bursary amounts will depend on funding from the government and or sponsorship from an outlying body.
3. PHE MB will officially instate the liaison positions for MPESA and Indigenous representatives.
4. Create a new award based on ability to mix indigenous material creatively and effectively in your classroom and school, and beyond.
