This specialized, two day professional development opportunity will prepare teachers (and other professionals) responsible for the Grade 7, 9 and 10 human sexuality curricular learning outcomes to deliver comprehensive, effective and culturally safe sexuality education with students. Teachers and school staff will have the opportunity to apply tools, games and activities used in the training that are directly transferable to the classroom. Updated resources and supplemental materials will be provided along with interactive discussions and exercises related to the following topics:

- Cultural & Social Aspects of Sexuality
- Puberty and Sexual Development
- Sexual and Reproductive Health
- Educational Approaches to STIs, Birth Control, Safer Sexual Practices
- Diversity in Human Sexuality: Sex, Gender and Sexual Orientation
- Adolescent Identity Development and Healthy Sexuality
- Curriculum Review and Application of Activities to Lessons
- New Activities and Games for Teaching and Learning
- Resource Sharing and Knowledge Exchange
- Contemporary Influences: Social and other forms of Media
- Resources and Referrals

IDEAL FOR: Grade 7, 9, and 10 Teachers who are responsible for the Human Sexuality Components of the MB Curriculum, Guidance Counsellors, School Social Workers, other school staff, Public Health Nurses who work in schools, etc.

CERTIFICATION: Participants will receive a certificate of completion worth 12.0 Hrs that can be applied to Continuing Competency Programs for various professional regulating bodies

DATE, TIME & LOCATION: 9:30 am to 4:00 pm, August 15 & 16 2017; SERC WINNIPEG OFFICE, 200-226 Osborne Street North (at York), Winnipeg [parking map available upon request or through registration portal]

COST: \$100.00 for both days. SERC is committed to supporting sexuality education for students. As such, the fee for this training institute has been subsidized to promote accessibility.
