The Physical and Health Educators of Manitoba (PHE MB) is a Special Area Group (SAGE) under the Manitoba Teacher Society which is dedicated to serve physical and health education in Manitoba Schools. PHE MB's objectives are to promote and advance the teaching of physical and health education in Manitoba schools, to protect the identity and importance of physical and health education in Manitoba schools and react to all matters affecting the image of physical and health education in Manitoba and to foster a closer personal and professional relationship among physical and health education teachers.

The Physical and Health Educators of Manitoba are looking for sponsors to help fund their Manitoba Teachers Society Professional Development Day on Friday, October 23rd, 2026 at Alloway Hall in the Manitoba Museum (190 Rupert Avenue). Alloway Hall will be the central hub, where the morning and afternoon keynotes take place as well as lunch and various sessions. Last year we had over 600 participants and with the release of the new PE / HE curriculum, we expected that our numbers will be higher this year.
