## U of M Mentors

Help the next generation of students and new alumni explore their career aspirations while expanding your own professional network.

Ten Thousand Coffees is an online networking and mentoring platform. By joining the UM Café on Ten Thousand Coffees, you will be connected with current KinRec students and recent grads who share similar career interests and are looking for the support of mentorship and professional growth.

You can choose when and how often you interact with UM mentees. Meet online, by phone, or you can always meet in-person for a fresh cup. ☕

Mentoring not only provides an opportunity for you to give back by helping make positive change in a student's life, but you also have an opportunity to start connecting with your future workforce.

Visit the UM Café on Ten Thousand Coffees for more information and to register today.
