MPETA Awards Night

Our annual awards night will be held at 7pm on October 20th, 2016 at the Louis Riel School Division Board Office. Come join us to congratulate your colleagues on their accomplishments!

MPETA NAME CHANGE

MPETA is considering changing their name to Physical and Health Educators of Manitoba. We would like the input of our members for the name change at the MTS Professional Development Day. Ballots will be inserted in each delegate’s name tag . Voting will commence as soon as the keynote is finished. Fill out the ballot by checking either ‘yes’ or ‘no’ to the proposed name change and deposit it into the ballot box outside the door of the keynote speaker. MPETA feels that it is important to include the word ‘Health’ in our new name, as we all are Physical and Health Educators.

Thank you for your support!
