

# PHE MANITOBA FLASH

**September 2022**

## **MTS Professional Development Day 2022**

**October 21<sup>st</sup>, 2022 at Sport for Life Center**

PHE Manitoba is happy to welcome you back to the first in-person MTS PD Day since 2019! We are looking forward to this event and seeing teachers face-to-face.

This year the event will be held at two locations- Sport for Life Center and the Youth for Christ Facility. Sport for Life Center will serve as the main facility for most sessions and the keynote of the day. The Youth for Christ facility will act as a satellite location and host our CPR session and a handful of active sessions!

We will also be offering a virtual option for our friends who are unable to attend the in-person conference. A virtual ticket will guarantee you a spot to see the keynote activities and some of the most popular sessions! Virtual tickets and in-person tickets are the same price. Virtual sessions will be live streamed but not recorded. The program can be found on our website or by [clicking this link](#).

Registration will go live on Monday, September 12<sup>th</sup>, 2022. Registration can be found on the home page of the PHE Manitoba website [www.phemanitoba.ca](http://www.phemanitoba.ca) or at [www.mbteach.org](http://www.mbteach.org).

Award nominations for the 2021-2022 school year are now open! If you know a teacher who has made a significant difference in their school or their students lives, we want to know! These last two years haven't been easy, and we want to take the time to acknowledge those teachers who have gone the extra mile and deserve recognition. Nomination forms are quick and simple but the impact of receiving an award will last a lifetime! [Click here for the nomination page and to browse the awards available for this year!](#)
